PUBLIC ART GUIDELINES

Purpose

The purpose of these Guidelines is to create a framework to facilitate and encourage property owners to provide outdoor public art on their property, or, if approved by the Director of Community Development, in the adjacent public right-of-way. For purposes of these Guidelines “Public Art” shall mean art located on private property that is displayed in an open area that is freely available to the general public or public accessibility is provided based upon the characteristics of the artwork or its placement on the site. Artwork may include free-standing pieces (e.g. a sculpture or water fountain) or may be integrated into its surroundings as an architectural element (e.g. relief sculpture embedded in pavement or a wall, a mosaic or mural on a wall, decorative railings or lighting).

These Guidelines are intended to assist artists, citizens and city officials and staff to understand the City’s goals regarding art that is displayed in a manner that is available and accessible to the general public. The City recognizes that art and artistic expression is a protected activity and these Guidelines are not intended to unduly restrict creative expression or limit the types of public art possible. Rather, they are intended to facilitate and encourage the best possible combination of sites and artwork, and help to guide what is essentially a form of communication between the artist and the community.

Process

These Guidelines are applicable to public art projects proposed to be located on private property or by a private owner in the adjacent public right of way. The guidelines and criteria contained herein shall also apply to public art projects on City property, which shall be considered and approved by the City Council, in consultation with the San Luis Obispo County Arts Council, and with the recommendation of the Parks and Recreation Commission if art is proposed to be placed on park property, and are subject to the Public Art Donation Program to the extent applicable.

Public Art Panel

In order to solicit community input and involvement for the consideration and promotion of public art on private property in the City, a Public Art Panel has been established to review all public art. The 7 member panel is made up of the following representatives to be convened as needed (a minimum of 6 members shall be residents or business owners in Arroyo Grande):

- ❖ 2 representatives from the property owner.
- ❖ 2 representatives designated by the County Arts Council.
- ❖ 1 representative from the Architectural Review Committee.
- ❖ 1 representative from the Chamber of Commerce or 1 representative from the Village Improvement Association if the project is within the Village Districts.
- ❖ 1 representative from the Historical Society.

The Public Art Panel will convene to approve public art by a majority vote after the piece or plans are presented at a public hearing held by the City Council for the purpose of obtaining community input. The San Luis Obispo County Arts Council shall act in an advisory capacity to the Public Art Panel.

Guidelines

The following guidelines developed by the San Luis Obispo County Arts Council are intended to facilitate and encourage Public Art that is proposed to be placed on private property or by a property owner on adjacent public right of way within the City:

1. Public art shall be ~~original and~~ of high artistic quality.
2. Public art shall be compatible with the immediate site and neighborhood in terms of social and cultural characteristics, architectural scale, materials, land use and geographical and environmental context.
3. Public art shall not impede pedestrian or vehicle traffic or conflict with public or private easements.
4. Consideration shall be given to any public safety or public health concerns related to, or created by, the artwork.
5. Public art shall be constructed of durable, high-quality materials and require minimal or no maintenance.
6. Public art shall be securely installed.
7. A wide variety of artistic expression is encouraged. However, expressions of profanity or vulgarity are inappropriate.

Selection Criteria

The following are considerations for the selection of public art

1. Relationship to the social, cultural and historical identity of the area;
2. Evaluation of artistic excellence;

Promotion of public art visible from intersections within these districts as well as proximate to public gathering areas, plazas and public parking areas is highly recommended.
