★ Dear Police officer, ★

Thank you for all you do for our community. I am very thankful for your every day sacrifice. Thank you for protecting us and for laying down your life on the line for us. You deserve so much more than you get and receive. I would like to thank you, this is a rough time for officers and I would never be able to completely understand what you are going through. But I would like to tell you, MANY are very thankful. Keep up all of the good you do, and keep fighting the good fight. Your work honors and protects ~~our~~ community, and many don't understand how hard it is. You have value in all you do!! Stay safe and God bless!

Thank you for everything you do.

Your job hasn't been appreciated, and it's disappointing. I'm a high schooler at Coastal Christian, and the job you do has made me want to do it myself. I hope the perception of your sacrifice will gain more appreciation. Just know that the non-merous in society support you.

Dear police officer,

We thank you for your commitment to your work and love for our city. I can see your job has become more difficult through this time of riots and COVID-19. Yet you continue to protect us through it all.

You have so much value in all you do. Keep it up. Times may be hard, but God always loves you. We at Coastal Christian School have so much respect for you.

Thank you, God bless you all.
